Opening Day Meeting and Dinner @ Julio's in Southbury to follow

Our Association welcomes any Silo Point woman member who has a handicap index of at least 32 or an established handicap at the Silo Point golf course of at least 36.

Our League plays on Thursday mornings. Each week a different format is chosen for the members to compete. We provide both individual and team formats, always with a net component so all members compete on an equal basis. An email is sent out to all members the week prior allowing a response as to whether you will be participating. Playing partners each week are paired by committee, providing everyone with an opportunity to play with all members in our group. The League has a portal page, which provides the tournament schedule, pairings for each week, and results. Annual dues are \$80.

If anyone has questions or would like further information prior to our Opening Day regarding League play or Interclub play, please contact:
