

Welcome Silo Point Country Club Women Members to a new and exciting 2023 Season!

The Women's Tournament Committee (WTC) has scheduled 4 weekend dates as part of our **Silo Point Women's weekend tournament** play, open to *all Silo Point (Full) Members* this season.

### **Women's 18-Hole Golf Association**

The Silo Point Women's 18-Hole Golf Association is opening our season with an **Opening Day Las Vegas Scramble, on April 20<sup>th</sup> open to all Silo Point women members**. We welcome you to participate in our first event – this is an opportunity to get to know our ladies and gather information about the League. We look forward to meeting you and sharing our fun League experiences.

We will also be having our Opening Day Meeting and dinner at the 1850 House Restaurant after play on April 20<sup>th</sup>.

*Our League welcomes any Silo Point woman Member who has a handicap index of 32 or under or an established course (Silo Point) handicap of 36 or below.*

Our League plays on Thursday mornings. Each week a different format is chosen for the Members to compete. We provide both individual and team formats, always with a net component so all members are competing on an equal basis. An email is sent out to all members the week prior allowing a response as to whether you will be participating. Your playing partners each week are paired by committee, providing everyone with an opportunity to play with all members in our group. The League has a portal page through Golf Genius, which provides the tournament schedule, pairings for each week, and results.

Silo Point Country Club also offers **Interclub** play with women from 3 other Golf Clubs: Ridgewood Country Club, Redding Country Club, and Richter Park Golf Course. *Interclub is open to all Silo Point Country Club women Members.*

Silo Point is also willing to start a **9-Hole Women's League** once a week in the afternoon hours, for those who work and/or would like a less competitive format... providing there is enough interest from Members in forming this new League.

If anyone has questions or would like further information prior to our Opening Day, regarding League play, or Interclub play, please contact:
